

# Your checklist for becoming a rider in The Netherlands

18+ years

Bike or electric vehicle

---

We strictly do **NOT** allow any fuel vehicles such as scooters or cars. ALL electric vehicles are permitted!

You need to be registered one of the following ways:

---

[Verloning.nl](#) registration, this is a partner we work with. This way of registration allows you to do your freelance work without the need to take care of your own taxes, Verloning will do that for you!

---

[KVK](#) or Chamber of Commerce number. This proves that you own operate as a business and can work freelance jobs. The only difference is that you will need to take care of your own taxes.

BSN number

---

A [BSN number](#) is your Dutch registration number which you receive when you move to the Netherlands and register as a resident (this also requires you to have a residency address in The Netherlands).

VAT (BTW) number

---

A [VAT \(BTW\)](#) is an individual business tax number.

IBAN + card holder's name

---

An [IBAN](#) is your Dutch bank account number, you can find both the number and the card holder's name on your card.
